

449910

single wall covering plate

SD 068 29-10-2020

Dimensions

Design

The Altecnic 449910 single wall covering plate is designed to fit securely onto 15mm diameter pipe.

The covering plate hides the gap between the wall or floor and the pipe, allowing expansion and movement of the pipe in heating systems.

The covering plate has a polished chrome finish making it ideal of use in bathroom, kitchen and other locations where external pipes are visible.

Technical Data

Max operating temperature: 85°C
